Dataset collection INFO

FLOW: How we collected the dataset (so far)

1. Browse NDAP → open each Education collection page
↓
2. Take screenshot / copy dataset list from that page
↓
3. Paste to AI → AI evaluates relevance (joinability, grain, entity match)
↓
4. Shortlist finalized dataset names (per collection)
↓
5. Open each shortlisted dataset page → click "Get API"
↓
6. Copy API URL (includes embedded API key) → save in .env file
(short_name = api_url, one line per dataset)
↓
7. Request dataset download (NDAP sends download link via Gmail)
↓
8. Download CSV from Gmail link → save into DataSetu/DataSet/<collection>/ folder
↓
9. Upload CSV to AI → AI extracts column names
↓
10. AI documents dataset in hierarchical structure (folder → file → columns)
↓
11. Repeat for all datasets → review full list → scope down to joinable v1.0 set

1. Education

COLLECTION: Unified District Information System For Education (UDISE) - Flash Statistics

1. - Number of Schools by School Management
2. - Number of Schools by Management and School Category
3. - Distribution of Schools by Enrolment Size, All India
4. - Distribution of Teachers by Management
5. - Distribution of Teachers by Academic Qualification
6. - Distribution of Schools by School Category and Range of Pupil Teacher Ratio
   Pupil Teacher : senior school student who is trained while also helping teach younger students

7. - Dropout Rate by Educational Stage, All India
8. - Dropout Rate by Educational Stage and Social Category, All India
9. - Gross Enrolment Ratio by Stage of School Education, All India
10. - Retention Rate by Educational Stage
11. - Examination Results for Grade X by Management
12. - Examination Results for Grade XII by Management

COLLECTION: Unified District Information System for Education Plus (UDISE+)

1. - Schools by Management and Availability of Internet Facility
2. - Schools by Management and Availability of Computer Facility
3. - Schools by Management and Availability of Drinking Water and Functional Drinking Water
4. - Schools by Management and Availability of Boys Toilet and Functional Boys Toilet
5. - Schools by Management and Availability of Girls Toilet and Functional Girls Toilet

COLLECTION: National Achievement Survey (NAS)

1. - National Achievement Survey (NAS): Survey of Learning Outcomes - District report for Class 3
2. - National Achievement Survey (NAS): Survey of Learning Outcomes - District report for Class 5
3. - National Achievement Survey (NAS): Survey of Learning Outcomes - District report for Class 8

COLLECTION: All India Survey on Higher Education (AISHE) - Report

1. - Number of Universities
2. - Number of Private and Government Colleges
3. - Gross Enrolment Ratio (GER) in Higher Education (18-23 Years)
4. - Pupil Teacher Ratio (PTR) in Higher Education
5. - State-wise Enrolment in All Type of Institutions (Including Estimation)

COLLECTION: National Institutional Ranking Framework

1. - National Institutional Ranking Framework (NIRF) ranking of top 100 universities

Api short name :

–2-Unified District Information System for Education Plus (UDISE+)

–Schools by Management and Availability of Internet Facility.csv

⚠ Uses "State/Ut Name" (not "State")

1. Country
2. Year
3. State/Ut Name
4–18. Total/Government/Aided/Private/Other Schools counts + Internet Facility counts + Percentages

–Schools by Management and Availability of Computer Facility.csv

⚠ Uses "State/Ut Name" (not "State")

1. Country
2. Year
3. State/Ut Name
4–18. Total/Government/Aided/Private/Other Schools counts + Computer Facility counts + Percentages

–Schools by Management and Availability of Drinking Water and Functional Drinking Water.csv

1. Country
2. State
3. Year
4–18. Schools counts by management + Drinking Water + Functional Drinking Water breakdowns

–Schools by Management and Availability of Boys Toilet and Functional Boys Toilet.csv

1. Country
2. State
3. Year
4–18. Boys/Co-Ed Schools counts + Toilet Facility + Functional Toilet breakdowns

–Schools by Management and Availability of Girls Toilet and Functional Girls Toilet.csv

1. Country
2. State
3. Year
4–18. Girls/Co-Ed Schools counts + Toilet Facility + Functional Toilet breakdowns

–1-Unified District Information System For Education (UDISE) - Flash Statistics

–Number of Schools by School Management.csv

1. Country
2. State
3. Year
4–15. Schools count by 11 management types (DoE, TSWD, LB, GA, PVTU, OGM, CG, OURI, NR, RMD, URMD) + Total

–Number of Schools by Management and School Category.csv

1. Country
2. State
3. Year
4. Type Of Management
5–15. Schools count by category (Primary, Upper Primary, Secondary, Higher Secondary variants) + Total

–Distribution of Schools by Enrolment Size, All India.csv

1. Country
2. Year
3. Type Of Area
4. Enrolment Size
5–8. Schools count by category (Primary, Upper Primary variants, All Other)

–Distribution of Teachers by Management.csv
1. Country
2. Year
3. Gender
4. State/Ut Name
5–9. Teacher % by management type (Govt, Govt Aided, Other, Private Unaided, All)

–Distribution of Teachers by Academic Qualification.csv
1. Country
2. Year
3. State/Ut Name
4. Additional Info
5–14. Teacher % by qualification level (Below Secondary → PhD, State Defined, No Response, Total)

–Distribution of Schools by School Category and Range of Pupil Teacher Ratio.csv
1. Country
2. Year
3. State/Ut Name
4. Pupil Teacher Ratio (PTR)
5–20. School % by category and PTR range (Primary, Upper Primary, Secondary, Higher Secondary — govt/all variants)

–Dropout Rate by Educational Stage, All India.csv
1. Country
2. Year

3. Gender
4–13. Dropout % by stage (Primary → Higher Secondary, All/Govt variants)

–Dropout Rate by Educational Stage and Social Category, All India.csv

1. Country
2. Year
3. Gender
4. Social Category
5–9. Dropout % by stage (Primary → Higher Secondary)

–Gross Enrolment Ratio by Stage of School Education, All India.csv

1. Country
2. Year
3. Gender
4. Social Category
5–9. GER by stage (Primary → Higher Secondary)

–Retention Rate by Educational Stage.csv

1. Country
2. Year
3. Gender
4. State/Ut Name
5–7. Retention rate (Primary, Elementary, Secondary)

–Examination Results for Grade X by Management.csv

1. Country
2. Year
3. State/Ut Name
4. Type Of School Management
5. Appeared In Grade X (UOM: Number), Scaling Factor:1
6. Pass Percentage In Grade X (UOM: %(Percentage)), Scaling Factor:1

–Examination Results for Grade XII by Management.csv

1. Country
2. Year
3. State/Ut Name
4. Additional Info
5–14. Appeared/Pass % by management type (Govt, Govt-Aided, Private Unaided, Other, Total)

NOTE: Why not all 26 datasets went into v1.0

- 4 datasets rejected: "All India" grain only (Country+Year, no State)
  → can't join to a State-level Schools table.

- 3 datasets deferred: NAS Class 3/5/8 are District-level, not State-level
  → different grain, needs separate rollup; Class 5 also has a totally different column structure. Saved for a future "Learning Outcomes" module.

- 6 datasets deferred: AISHE + NIRF describe Higher Education (universities/colleges), a different entity than "School"
  → mixing them would blur KPIs. Saved for a future "Higher Education" module.

Rule used: keep a dataset in v1.0 only if it (1) shares the same join key
(Country+State+Year) and (2) describes the same entity (School).
Everything else isn't wasted — it's already researched and documented,
just correctly sequenced for a later version.

Now we have 13 DATASET for Education Sector
